

# Pupil Premium

## Background

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

The Pupil Premium is allocated to children from families who are currently known to be eligible for FSM in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months

The Government has decided that eligibility for the Pupil Premium in 2013-2014 will be extended to pupils who have been eligible for free school meals (FSM) at any point in the last 6 years. Earlier this year they consulted on options for extending the coverage of the Pupil Premium. As a group, children who have been eligible for FSM at any point in time have consistently lower educational attainment than those who have never been eligible for FSM.

A premium has also been introduced for children whose parents are currently serving in the armed forces.

Schools have been asked to report by academic year as this is more meaningful for parents. Whilst the grant allocation is made on the basis of financial years, schools both plan teaching and other support and conduct assessments over the academic year.

### Impact of Pupil Premium

In the academic year 2013-2014 the average progress of our children in receipt of FSM was exactly in line with all our children and was good. The FSM children made an average of 4 points progress in reading, 4 points progress in writing and 4 points progress in mathematics. Nationally, the expectation for good progress is 4 points (2 National Curriculum sub-levels) a year.

In Year 1, 94% of pupils eligible for FSM passed the phonics screening test compared to 90% non FSM (school) and significantly above National FSM (63%). This represents an increase of 9% from last year.

In KS1 end of Year 2 tests, FSM pupils performed above National FSM in reading, writing and Maths and above National FSM all subjects.

At KS2 end of Year 6 sats, FSM pupils performed well above National FSM and all pupils in Maths, SPAG, Writing and above National FSM in Reading.

## Impact of Pupil Premium

The attainment of pupils eligible for pupil premium will be recorded at the end of the academic year.
