QUIZ NIGHT

The Benefits  
Of Reading  
Aloud  
To Your Child

DID YOU KNOW ?? Reading aloud to your children everyday puts them almost a year ahead of children who do not receive daily read alouds! Make reading aloud to and with your children part of your daily routine - even if it is for 10 minutes!

Thank you to everyone who was able to come and watch 1R's class assembly on Thursday. What an amazing performance all about "Explorers." Below are just a handful of your lovely comments:

*"The children were great! It was very well acted with clear voices."*

*"It was a pleasure to watch, all the children worked so hard."*

*"We were thoroughly entertained - you have all worked so hard!"*

*"You were all amazing, well done for remembering your lines and actions."*

*"Fabulous class assembly by 1R, lovely loud, clear voices an absolute pleasure to watch."*

## Absence/lateness

Even if you have told a member of teaching staff it is important to ensure that you inform a member of the office team if your child is going to be absent or late. This is to avoid worrying parents/carers with unnecessary text messages. Thank you for your co-operation in this matter.
