Unfortunately we have had to raise this matter a few times lately. Please note that if you have any problems or issues with other parents do not approach them on the playground. All school matters are confidential and dealt with by staff. May we also remind you that incidents of racial and verbal abuse towards other parents, staff or children will not be tolerated. We expect all pupils and staff at Hollyfield to be treated with courtesy and respect. As previously advised, below outlines the correct procedure to follow if you do have any concerns. Thank you for your co-operation in this matter.

Our science Ambassadors have met this term to talk about what they have enjoyed in their science lessons at school and put forward their own ideas that can be developed. Following feedback from the children, next week we have "Mad Science" leading an assembly after which there will be an opportunity to take part in a Mad Science after school club (details to follow). We look forward to celebrating British Science Week in March and will let you know about the activities that are planned for the children, including a Family Learning Session (for Year 3) and some classes working scientifically with children from another local school.

We're here to help

We understand that sometimes you may need to discuss things with school so we thought we would help you by setting out the correct procedure to follow:

- Speak to the Class Teacher
- See the Key Stage Manager
Mrs J Keene (EYFS)
Mr A Holmes (Years 1 & 2)
Mr D Cole (KS2)
- See Mrs C Perkins (DHT)
- See Mrs C Lewis (HEAD TEACHER)

We do hope this helps so that we can deal with any concerns as quickly as possible. Thank you, as always, for your co-operation in this matter.

Please keep off

We have had a complaint from Nursery regarding children playing with their equipment before school. May we remind you that this equipment **DOES NOT** belong to school and would you please keep your children away.

Thank you.

Swimming Gala

A group of 15 children from years 4, 5 and 6 represented the school in a swimming gala at Walsall Gala Baths last Saturday, competing against 8 other local schools. The team did really well and showed great determination and perseverance. They all had a lovely time and a great day. Well done to everyone who took part.

SAFEGUARDING - TIP OF THE WEEK

Tips, advice, guides and resources to help keep your child safe online As a parent or carer you play a key role in helping your child to stay safe online. You don't need to be an expert on the internet to help keep your child safe online. Advice and resources are available to support you as you support your child on how to use the internet safely, responsibly and positively.

Menu for next week.

Fresh seasonal salad bar/bread , fruit and yoghurts and drinking water available daily: Vegetarian options daily.

Dinner money for the rest of this half term is £11.25 due on Monday 12 February 2018

Many of our children take part in the Rotary Junior Community Awards. In order to support Sutton Rotary Club and to raise awareness for their chosen charity the "Polio Society" children can come to school dressed in anything purple (or simply paint your little pinkie if you have nothing purple) next Friday. Suggested donations of £1.00 please.

READ PLEASE

We are fast approaching the half term holiday and would greatly appreciate anyone with outstanding dinner money to get their accounts up to date immediately. Unfortunately it may not be possible for your child to continue to receive school meals from the kitchen if you have dinner money still outstanding. Thank you for your co-operation in this matter.
