

# HOLLYFIELD PRIMARY SCHOOL

16 March 2018

## CHICKS

We have been lucky enough to have the opportunity of watching chicks hatch live on Youtube which the children are all very excited about. The incubator is situated in the Reception area so the Reception children get to see them every day. This is a wonderful opportunity for the children to see how the chicks hatch out of their shells and watch them grow! They also have the chance to get to hold them.

### Parents & Carers Information

The Compass Family Project is based at Falcon Lodge Community Centre. They are there to support families living on Falcon Lodge estate to improve their quality of life and wellbeing. Compass provide "Family Coaches" to support in:

- Building resilience
- Developing practical life and parenting skills
- Enabling families to respond to issues affecting them on a day to day basis, e.g poor family relationships, financial exclusion, improving poor school attendance.

They also provide support and activities throughout the week for both adults and children, based at the Lodge Community Hub. Compass can be contacted directly via Falcon Lodge Community Centre, Churchill Road, Sutton Coldfield B75 7LB (telephone 0121 748 8128 or by contacting school).

### CAN YOU HELP?

#### REQUEST FROM THE SCHOOL COUNCIL !!

If you have, or know of anyone who has, table tennis bats and balls they no longer want and do not use we would very much appreciate them. Also if anyone has any spare chess sets we would also really appreciate those too.

This half term we have been focusing on the topic "Good to be Me". This supports and encourages the children to identify their strengths, areas for development and what makes them unique. At Hollyfield we value all of the children as individuals and this unit allows the children to explore what makes them all special and unique.

Coaches from Wasps Rugby Club have been in school teaching our year 3 and year 4 children some amazing rugby skills. The children have loved having them and we look forward to them working with other year groups in the future.

## Stars!

Yr2	Imogen Allen
Yr3	Tiana Cheung
Yr4	Tegan Koch-Dunbar

Year 5	Melissa Logan
Year 6	Annisa Lalli

In support of Sport Relief next Friday 23 March we will be having a non uniform day where the children can come to school dressed in something red, and donate £1.00 per child towards this charity.

As part of British Science Week children have been taking part in extra science based activities in school. Last Friday Year 5 were very excited to have a planetarium in the hall as part of their space topic! The children thoroughly enjoyed the presentation inside the dome. Yesterday Year 3 had an amazing day at the Big Bang at the NEC, increasing their Science Capital and experiencing hands on STEM based activities and shows.

Please state what the money is for  
Name, Class  
Amount enclosed

### Safeguarding Tip of the Week

Phishing - Sometimes you get emails pretending to be from legitimate sources, asking you to give away personal or private information. This is called phishing. A phishing email may be disguised as one from a bank. There are a few things to look out for:

The email address is different to usual emails from your bank;

The message isn't personalised, uses the wrong name or poor spelling;

The message says you need to take action in to stop something from happening.

### King Edwards's School

If any parents/carers of boys in current year 5 are interested in sending them to King Edward's next year they are holding an open morning this Saturday 17 March between 10am-12.30pm. Please pop along to see what they have to offer.

**Overall attendance this week**

**KS1: LADYBIRDS 98.3%**

**95.3%**

**KS2: 4R 99.3%**

We were treated to a lovely performance by Saltmine Productions today - the children absolutely loved it. Hope everyone has a good weekend and just keep an eye on the weather!

Mrs C Lewis
