As well as our weekly French lessons in KS2 which have involved lots of super speaking, singing, writing, reading and listening in French, the whole school enjoyed listening to and joining in with "Le navet énorme" (The enormous turnip) in assembly last week. We have just established an e-twining link with a school near Paris and are looking forward to collaborating on a bi-lingual story with them next term. Joyeuses Pâques!

More Able children have been making great progress this term and are being given lots of opportunities to extend their learning. These include reasoning challenges in maths and using rich vocabulary and grammar in writing, choosing their own genres and writing from different points of view.
