Easter Holidays

We break up for Easter at normal home time on Thursday 29 March and return to school on Monday 16 April 2018.

Please do not bring any personal or items of value into school. We would hate for them to get lost or broken. Also, would you please ensure that all items of uniform are clearly labelled with your child's name and class so that they can be returned to them if misplaced. Thank you for your co-operation in this matter.

Info for parents

The children have had a letter about the optional fun homework task, to make a marble run, that all the Trust schools are participating in over Easter. We hope that you find this activity good fun and can take a "family or friends selfie" of the science fun you have at home during the Easter holiday!

School Matters Campaign

We are excited to announce the first LTE partnership with the local business Easigrass (an artificial grass company - further information available on the website). They are offering to donate £50 to the Trust for every order placed with them which will help the Trust be able to purchase resources to enhance teaching and learning experiences for our children. To help our school benefit from this offer simply quote easi-HPS-50 (also valid for friends and family). Easigrass will be displaying their products at a coffee morning on Saturday 21 April 10am - 12pm at the Acorns, Coppice Primary School. All welcome.

Please note that class 3G will have their last swimming session after the Easter break on Tuesday 17 April.

SPORT RELIEF

Well done to everyone who wore red last week in support of Sport Relief. It was a lovely day and we managed to raise £318.60. Thank you for continued support.

SAFEGUARDING - TIP OF THE WEEK

Vishing is a type of phishing scam that happens on the phone. The word vishing is a combination of "voice" and "phishing". These are unsolicited phone calls from fraudsters which encourage you to give out your personal details - they pretend to be your bank, police or any other official company. These calls will often seem urgent to get you to act as quickly as possible giving you minimal time to think about whether the call is fraudulent. Sometimes you may get a "warm up" call where no information is discussed. This is to set the scene for a later call where you may be asked for information.

We would also like to take this opportunity to say a very big "Well Done" to the following children on their achievements this year.

Learning Trust for Excellence Values Award:
