Fortnite, is an online game that's becoming a sensation amongst youngsters. The game requires players to work collaboratively to survive in an open-world environment, involving combat games against other characters controlled by the game or other people. It involves cartoonish violence and characters that might be disturbing younger players. Fortnite is rated 12+ by PEGI for its frequent scenes of mild violence. The rating is advisory but, as with all games online, it is important that parents are aware of all the safety concerns to facilitate safer gameplay for their children. Visit [Parentzone.org.uk](http://Parentzone.org.uk) and search Fortnite for more information.

Well done to the boys football team who played against Little Sutton after school on Monday. A great team effort by all the boys but unfortunately Little Sutton just edged it. The final score was 5-3 to Little Sutton. Huge congratulations to our Man of the Match Bayliss Court who scored his hat trick.
