What a lovely turn out we had for our KS2 Sports Day on Monday. It was a wonderful morning and we were also very lucky with the weather! All the children thoroughly enjoyed it and we look forward to watching Reception and KS1 in action on Tuesday 19 June at 9.15 am. Let's hope the rain stays away!

Thank you so much for your kind donations last Friday for non school uniform day. We managed to raise a magnificent £324.60 which will be forwarded on to St Chad's Church.

ATTENDANCE MATTERS

At Hollyfield Primary School we are constantly trying to improve attendance for our pupils. Children who have poor attendance will not achieve their full potential and can find it difficult to maintain friendships. Our aim is to work with pupils and parents to ensure children make the most of their time at primary school. However, we are obliged to investigate absences and in some cases this can lead to prosecution. For details of recent legal action please visit our website.

HOLLYFIELD SUMMER CARNIVAL SATURDAY 23 JUNE 12PM - 3.00 PM

Don't forget to join us for an afternoon of family fun including face painting, trampolining, hot dogs, pizzas, samosas, glitter tattoos and much, much more! Only £1.00 per family entrance fee. We look forward to seeing you there.

Look What We've Been Doing...

Physical Education

This is what we have been doing in PE this term:

Year 1 have been practising their underarm and overarm throws;

Year 2 have been having fun with running and jumping;

Year 4 have been lucky enough to have cricket coaches from Warwickshire to guide and help them with their cricket;

Year 5 have been doing gymnastics and using the wall bars to help with their balance.

PSHE

The children are enjoying the topic "Changes". This helps to prepare the children for different changes that may occur in their lives including transitioning into their new year group in September. Hollyfield encourages the children to learn how to share their thoughts and options. Some of the ways in which the children have been learning about this topic include discussions, games, group work and practical activities.

Thank you to those parents/carers who were able to come to 4R's assembly all about "The Romans". What a fascinating and informative production the children put on for us. Well done 4R.

Please remember to keep on top of your child's dinner money. Dinner money should be paid in advance and not in arrears. Please log on to your Parent Pay account to check you are all up to date.

Dietary Requirements

We are updating our records!

If your child has any dietary requirements that you have not already informed us about would you please let us know (i.e gluten free, vegan, dairy free, allergies etc). It is vitally important that we have accurate and up to date information on our system. Thank you for your co-operation in this matter.

E-SAFETY - TIP OF THE WEEK

Reports suggest that on average, 8-11 year olds can spend 10 hours per week playing online games. It's important to take regular breaks. For every 45-60 minutes of game time, gamers should take at least a 5 minute break in order to maintain a healthy balance.
