

OLLYFIELD PRIMARY SCHOO

22 June 2018

Please ensure your child has the correct uniform. Also, please make sure all items are clearly labelled with your child's name & class so we can return them to their rightful owner if they are mislaid.

Thank you so much to all the Parents/Carers and other relatives who came along to support our Reception and KS1 children on Tuesday morning. It was lovely to see so many familiar faces. The children all had a great time and thoroughly enjoyed themselves. Even the rain held off!!

We look forward to seeing you all at our annual Summer Carnival tomorrow (12.00 pm - 3.00 pm). Just £1 per family entrance fee for an afternoon of food, games and family fun.

Please can we ask that you check your child's hair thoroughly for head lice. Vosene shampoo is a recommended and effective shampoo which claims to tackle head lice.

behaviour

We are a Building Learning Power school - which looks at learning behaviours. We learn how to use and apply Resilience, Reciprocity, Resourcefulness and Reflectiveness in our learning (4Rs). This then cultivates the habits and attitudes of curious, confident and independent learners. We use and apply one or more of the 4Rs in every part of our learning and in every subject. If you would like to know more go to:

https://www.buildinglearning power.com

At Hollyfield, British Values are taught in a number of ways. We have regular assemblies that teach the children about the four fundamental British Values; Democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. These are also covered every day within everything we do, such as voting for representatives for school councils, giving children free choice to spend their privilege cards, understanding and following school rules ensuring everyone can learn in a safe environment. We have studied the Royal Wedding and how this links to our fundamental British Values of respect and tolerance for all. In RE, children have learnt about rules that different faiths follow and compared them to our own school rules. In PHSE, the children have made the decision to include scientific play equipment on the playground. This decision was reached through a democratic voting process based on the children's own free choice of ideas.

Please remember there is no smoking/vaping anywhere on site. Thank you for your co-operation in this matter.

We are expecting some very sunny/hot weather next week so please ensure that your send your child into school with sun hats, sun cream already applied and plenty of water. Thank you.

Great Science Share

This week, as part of "Great Science Share" we have been lucky enough to have been visited by Severn Trent Water, Specsavers Opticians, The Dog's Trust and Pals Production Theatre Company, to share science with different classes. We hope the children enjoy sharing some interesting science related facts with you.

for the rest of this half term is £50.60 £11.50 due on:

the money is for Name, Class Amount enclosed

Monday 25 June 2018

Parents

As we are fast approaching the end of this academic year it is important that dinner money is kept up to date and your child does not leave with any arrears on their account and has a zero balance. Please log on to your parent pay account and check you are not in arrears. Thank you for your cooperation in this matter.

Amid the excitement of the world's biggest football tournament it is important to remain safe and vigilant online. Cyber attackers will use large scale events to lure fans into scams for free tickets, signed shirts etc. They may create websites to download wall charts that could be infected with viruses or malware and lure youngsters into sharing their details by promising them entry into competitions to win memorabilia. Ensure you remain vigilant at all times and remember if it sounds too good to be true, it often is!

Please remember to park safely and legally when dropping off and collecting your children. Can we remind you that parking on pavements is illegal. Thank you.

Another fine day for our Reception and KS1 sports day. Thank you to everyone who came. We look forward to seeing you all at our annual Summer Carnival tomorrow.

Mrs C Lewis
