The children have had a fun term learning French at Hollyfield and Madame Arrowsmith is very proud of the progress being made. Year 3 have learnt how to give their opinions and made their own mini books based on "La chenille qui fait des trous". Year 4 have been translating sentences with a focus on the verb avoir. Year 5 have studied numbers up to 100 and how to make a verb negative using a verb sandwich! Year 6 have been busy using the simple future tense to write about their plans for the summer holidays and are now looking forward to their "French café" as an end of year treat.

*More Able, Gifted & Talented*

There has been some amazing work taking place to challenge our more able children to work at greater depth from Reception right up to Year 6. In maths they are using high level thinking and problem solving, explaining strategies and evaluating. In English work is differentiated to extend children to write from a different perspective or a contrasting point of view. Fantastic!

## Parents' evening

Parents evening will take place on Wednesday 11 July. Childrens' reports have been sent out this week so if there are any issues or concerns these can be discussed with the class teachers then. We look forward to seeing you on Wednesday between 3.30 - 7.00pm. No appointment is necessary.

### ARE YOU AWARE??

We are experiencing an increasing number of problems with children accessing Whats App even though legally this site has an age limit of 16. Situations are arising where children are coming into school upset because of things being said on this site. Please talk to your children to reinforce the upset that such actions can cause to others.

**Year 6 Leavers Assembly**

We look forward to seeing you at our Year 6 Leavers Production on Monday 16 July at 2.00 pm. They have all be working so hard to perform it for you. Please have tissues at the ready!

Hollyfield are proud to be taking part in the Sun Safe Schools National Accreditation Scheme. Please refer to the letter and leaflet in the children's bags today explaining about the scheme, our policy, our assembly and the activities to obtain this award. Please contact Helen Jones, who has had melanoma and also lost her mom to the disease, so feels very strongly in helping our children's generation learn how to stay safe in the sun.
