and enter the promotion code: SCHOOLPROMO. Tickets are limited on a first come first serve basis and limited to 4 per person.

IMPORTANT ! PLEASE READ

Unfortunately we have recently had incidents of parents approaching other parents and children on the playground. The children are finding this very distressing and could we ask that parents refrain from doing this. Matters will be resolved much more quickly and effectively if the correct procedures are followed and you direct any problems to the class teacher. Thank you for your co-operation in this matter.

*Please

YEAR 6 LEAVERS PRODUCTION MONDAY 16 JULY AT 1.45 PM

We look forward to welcoming our year 6 parents/ Carers to watch their production which they have been working so hard on. Performance starts at 1.45 pm. Don't forget the tissues!!!

KS1 Disco TUESDAY 17 JULY

This will take place during the school day so please send your children into school with party clothes in a named bag and £2.00 in an envelope which will provide them with a snack and a drink.

ROCK STAR WRANGLERS

Yesterday 3 of our Year 6 pupils, Callum, Jack F and Riya competed in a Times Table competition for Years 6&7. The competition included 51 schools from across the Midlands. The children took part in individual heats and the best 16 out of 153 went through to the quarter finals. Jack and Callum qualified but narrowly missed out on progressing further. However, the fabulous 3 did extremely well. Their scores from the heats were accumulated and to their credit they came 3rd out of 51 schools-WOW!! They are a real credit to Hollyfield and all their hard work this last year has paid off. Come on Year 5 it will be you next year!

**YEAR 6
LEAVERS**

Wednesday 18 July Year 6 Leavers Festival/BBQ and KS2 Disco Year 6 Festival: 3.30pm-5.00 pm KS2 Disco - 5.00 pm-6.30 pm

It's that time of year again where Year 6 get to celebrate their time here at Hollyfield. There will be a festival, BBQ and disco and Academy Photography will be on hand to take photos to make fantastic memories.

Class Assemblies

Thank you to everyone who attended 3G's class assembly on Thursday all about "The Rainforest". Below are a couple of your lovely comments:

"What a lovely assembly! It was good to see how all the children have grown into happy, confident individuals. Lots of great singing from everyone and great dance moves too!"

"Thank you 3G for a fantastic show! I really enjoyed it. You did yourselves proud - well done to Miss Gibbons".

Twycross Zoo Stars!

The World Primate Centre

Year 3 visited Twycross Zoo on Tuesday. They enjoyed looking at the animals and seeing which ones could be found in the tropical rain forest. Also, they learnt about which animals were in danger from becoming extinct. They were all extremely well behaved and had a fantastic time.

FOR CHILDREN

We have decided that from September, we would like to encourage the children's independence and for them to take responsibility for their own belongings, by asking that all children from year 3 upwards bring in their own pencil case and associated equipment. The pencil case should be practical in size and be able to fit in your child's tray. It should include a pencil, glue stick, whiteboard pen, highlighters and some coloured crayons. They will not need a ruler or a rubber. The school will provide a handwriting pen if your child has received their pen licence. It would be really helpful if the cases could be named.

Thank you to the choir for their fantastic performance to parents on Tuesday and for their hard work and commitment to this year. We are sad to lose year 6 and will be looking for some new recruits in September so please listen out for the announcement in assembly.

Safeguarding - Tip of the Week

Two Factor Authentication is an added layer of security offered by many online services. In many cases you need to activate or allow it to happen, but is well worth activating where possible. Two Factor Authentication forces you to confirm who you are by sending a code to your mobile number. This confirms the access is genuine, only you will know the account password and randomly generated passcode sent to your device. If someone is trying to access your account, the code you receive will be your prompt that someone maybe trying to access your accounts.
