We definitely have some budding superstars in our midst!! Well done to Mrs Wilkinson and Mrs Rand and everyone involved behind the scenes who worked really hard to make these performances so spectacular!

Well done to everyone who took part in the Rock Steady Concert on Thursday. We have some very talented musicians amongst us and it showed just how hard they had all been practising in their performance.

Bonjour!

It has been a "fantastique" Autumn term of French at Hollyfield with Year 3 making a flying start to their lessons. They already know colours, numbers to 10 and can ask and answer some simple questions. Year 4 have been learning how to use a bi-lingual dictionary, Year 5 have learnt how to describe people and Year 6 can give and justify their opinions on various sports. We are eagerly awaiting Christmas cards from other European countries as part of our eTwinning project. Year 6 have sent cards to Spain, Romania, Poland, Italy and Turkey to share cultural information about Christmas in England and are looking forward to learning about how Christmas is celebrated in other countries.

If you wish to change your child's meal pattern when we return from the Christmas break, please note that the office require 2 weeks notice in writing of this change, in order that the kitchen can order the correct amount of food. We thank you for your co-operation in this matter.

Please keep on top of your dinner accounts via online parent pay. There are a number of people who are still in arrears and please can we ask that you pay this now immediately. As previously advised it may not be possible for your child to continue to receive school dinners from the kitchen after the half term break if you have money outstanding. Thank you for your co-operation in this matter.

Christmas holidays are almost here and connected toys are more enticing than ever. Before purchasing everything on your family wish list, you may want to thoughtfully consider the toys and tech that will create the right balance in your home. Southwest Grid for Learning has published a useful article when buying tech as presents. <https://swgfl.org.uk/magazine>.
