Bling In the New Year

Welcome back everyone and a Happy New Year! We do hope you all had an enjoyable Christmas and enjoyed your time off together. Very happy to see all the children straight back into the swing of things and full of stories from their time off. We now look forward to settling down for another exciting, fun packed half term.

GOOD NEWS

We are delighted to announce that, as part of the Learning Trust for Excellence (LTE), we have been awarded a Leading Aspect Award for excellence in our safeguarding work which ensures our children are safe, secure and happy in everything they do. It is a national award that identifies and celebrates leading practice.

The award recognises the quality of policies, practice and commitment to safeguarding shown by all involved. A range of people including teachers, parents, governors, pupils and Head teachers were interviewed in order to achieve the award.

We are so proud that the work we have done with the other schools and partners has had such a positive impact on us all, and most importantly our children.

Here are some tips to spot Phishing scams:-

- *The email address is different to usual emails. It may look like it from someone you know or a company you deal with but look for anything slightly different.*
- *Check for Language, grammar, images or links to external websites for example. Always check that links point to legitimate sources.*
- *Is it out of the norm? Are you being asked to do something that wouldn't normally happen? Trust your instinct if it doesn't feel right!!!*
- *The message isn't personalised or uses the wrong name. Phishing attacks are distributed in bulk. It's easier to use generic salutations than to personalise them.*
- *The message says you need to take action to stop something from happening. Scammers use unnerving actions to encourage you to act quicker.*
