Safeguarding

TIP OF THE WEEK

Fake news can be false information, photos or videos purposefully created to confuse or misinform. It can also be genuine information that has been manipulated to deceive. It is important that we can distinguish between real news and fake news. Ask yourself:-

1. Does it sound real?
2. How long has the page existed?
3. Who wrote it?
4. Are there any spelling mistakes?
5. Is the site secure? Does the URL (site name) look right?

We currently have a vacancy for a "Parent Governor". If you have a little bit of spare time and this is something that would be of interest to you, please refer to the letters being sent out today (also via email) for details and further information. We would love to hear from you.

If your child is ill with a sickness bug please note that they have to be kept off school for 48 hours clear of the last episode in order to make sure they are well enough to come back into school. Thank you for your understanding and co-operation in this matter.
