Absence/lateness

Even if you have told a member of teaching staff it is important to ensure that you inform a member of the office team if your child is going to be absent or late as soon as possible. This is to avoid worrying parents/carers with unnecessary text messages. Thank you for your co-operation in this matter.

Unfortunately we have head lice in school again. Please check your child's hair thoroughly and treat if necessary. The following website may also be of some use:
