In the event you need to contact a member of staff, senior leadership team or the Head Teacher via email, please use the "enquiry@hollyfield.bham.sch.uk" address rather than emailing staff directly. If a message is urgent it should be hand delivered or sent to the above email address. As you can imagine, school staff and in particular the Head Teacher, get inundated with emails, a lot of which are spam and during a working day, it is not always possible to sort through the considerable amount of mail we receive. Furthermore there is no expectation for staff to check their emails when they are teaching. However, the "enquiry@" emails are regularly checked during the day and forwarded to the most appropriate person to deal with. This is a much more efficient way of communicating with staff and ensuring that your specific query is dealt with in a timely manner. Please also note that a two day response time to emails is expected. There is no expectation for staff to check emails outside working hours or during holiday time. Thank you for your understanding

**Fresh seasonal salad bar/bread , fruit and yoghurts and drinking water available daily; Vegetarian options daily.**
