#### Safeguarding - Tip of the Week

When shopping online, visiting websites for online banking or sharing sensitive information, always make sure that the site's address starts with "https" instead of just "http". Look out for a padlock icon in the address bar or URL field. This indicates that the website is secure and uses encryption to scramble your data so it cant' be intercepted by others.

Unfortunately due to the amount of rain we have had over the last week, we have had to take the decision to cancel KS1 and KS2 Sports Days next Monday and Tuesday. We hope the weather improves and they can go ahead the following week.
