EXCITING NEWS!

New Schools Join the Learning Trust for Excellence

As you are aware, our school is part of the Learning Trust for Excellence (LTE), a collaboration of 7 local schools who work together, share good practice and develop opportunities for our staff and children. Following the success of the Trust and the significant impact it has had on improving teaching and learning in our schools, it will be expanding to work with more schools in our community. The LTE is delighted to announce that the following local schools will be joining the Trust this summer: **Court Farm Primary, The Deanery Church of England Primary, Maney Hill Primary and Wylde Green Primary.** The schools will engage in all the collaborative opportunities and activities for a year in the first instance. All the schools have worked together previously as part of the wider group of Sutton Coldfield primaries so we are all very much looking forward to the exciting opportunities this expansion will bring, welcoming new colleagues and learning from each other.

We were lucky enough to have a visit from members of the Sutton Coldfield Fire Brigade on Tuesday and they were amazing. A friendly team that shared very useful information with the children about how to keep safe in the event of a fire, looking at what to do and what not to do and more importantly how to alert someone for help. The children were very enthusiastic and extremely thrilled to be allowed to go out and see the fire engine and all the equipment that is used to rescue people and help put fires out. Pictures from the day can be seen on the school Twitter page.

Thank you for your co-operation in this matter.
