

# ELD PRIMARY SCH

20 September 2019

Unfortunately we have received a few complaints recently regarding pupils and parents riding their bikes on school property and having near misses with some of our little ones. Would you please ensure that if you do ride your bike to school that you please dismount before your enter onto the school site. Thank you for your understanding and co-operation in this matter.

Huge congratulations to Mrs Cooper-Jones and her husband on the birth of their second son Jack. Mother and baby are both healthy and doing well.

### nportant Parent nformation

We have had a number of complaints about the conduct of some parents in the playground towards staff and other parents. This includes shouting and swearing. Please note that we do not tolerate inappropriate behaviour or abusive language towards parents or staff and we do not want the children to have to witness any kind of aggressive behaviour or bad language. If you have a complaint or concern please go through the appropriate channels. Thank you.

Art Club is starting back up next Thursday 26 September. A reminder letter will be sent out shortly (if it hasn't already) to those children who have already secured a place.

### Important information for Parents/Carers of children in Year 6 **Secondary School Places** for September 2020

Information regarding the application process will be available on the Council's Website:

www.birmingham.gov.uk/schooladmissions from 2 September. The closing date for online Secondary applications is 31 October 2019.

**School Transfer** 

You should have all received your "School Dates" List for this academic year via email. We do hope you will find these useful. If you have not received your copy there are spare hard copies in the foyer outside the school office. Please keep these in a safe place.

····

The school photographer will be in school on Monday 07 October to take family, Sibling and individual photos of your children. If you have younger children not at this school and would like them to be included in the family photograph please bring them to the Junior Hall at 8.30 am.

The BBC has created a "wellbeing" smartphone app called "Own It" aimed at children. It monitors how young people interact with friends and family online and through messaging apps. It uses AI to evaluate a child's mood so it can offer advice or encourage them to talk to trusted adults. The app is designed to offer help and support especially if children are about to share sensitive data or send an upsetting message.

Thank you to everyone who donated towards the repair of St Chad's Car park who kindly allow us to use this for yourselves to park safely when dropping and collecting your children. We are, as always,, grateful for your continued support.

Mrs C Lewis
