**Park safely,
park legally**

We have received a serious complaint from a local resident who was verbally abused by someone blocking her drive. This is totally unacceptable and may we remind you to please ensure when dropping or collecting your children to and from school you park safely and legally and do not block neighbours drives. There is car parking available over at St Chads Church car park. We have advised local residents to report any further incidents to the Police. Thank you for your co-operation in this matter.
