### Look what the children are doing in PE

Reception have been creating a dance based on fireworks!

Year 1 are concentrating on learning a dance based on their topic of toys.

Year 2 will be creating balances with a partner.

Years 3 & 4 are using gymnastic moves and linking them together to form a performance piece to music.

Year 5 will be playing netball and learning tactics to improve their game.

Year 6 are creating a dance based upon the Haka.

All the children are really enjoying PE and having lots of fun!

## Non-Uniform Day £1 donation

### Children in Need

#### Friday 15 November

We are supporting Children in Need again this year. This will be a non uniform day with donations of £1.00 per child please. Thank you.

## IMPORTANT INFORMATION

We have received several complaints regarding inappropriate behaviour towards parents on the school premises from other parents/adults. Some members of the PA received threatening gestures at the end of the KS2 disco and other parents have complained of intimidation by others. This is not acceptable and will not be tolerated. The school governors can withdraw the right for parents/carers to come onto the school site if this persists. We have attached the school's Code of Conduct for your information.

## Tip of the week

The internet is an amazing place. Children can play, learn, create and connect - the possibilities are endless. But, there are also risks! That is why O2 and the NSPCC have teamed up to offer free advice and support to parents. You can speak to Guru's either over the phone or in O2 stores. You don't even need to be an O2 customer!!
