School Roles and Responsibilities

All members of the school staff, including both teaching and non-teaching, share the responsibility for addressing attendance issues within the school.

Mr Holmes serves as our designated Attendance Champion, a senior member of staff tasked with overseeing attendance matters.

For parents and pupils with attendance concerns, the first point of contact should be their child's class teacher(s) and/or our Attendance Officer, Mrs Glass. They are available for communication regarding any attendance issues and can be contacted via the school office.

Attendance matters are reviewed by the Headteacher and members of the senior management team and are reported, on a minimum termly basis, to the Governing Body. School regularly liaises with the Local Authority Attendance Support Team and uses Central School Attendance and Welfare Service Ltd (CSAWS) for support with the processes associated with children's attendance at school. School employs CSAWS to provide the legal monitoring services and support that will help reduce the number of persistent absent pupils and improve whole school attendance.

Expected Levels of Attendance

Attending school regularly and on time has a positive impact on learning, progress and therefore the best life chances for pupils. Research shows that attendance and punctuality are important factors in school success.

98-100%	Excellent. Accessing all learning opportunities
96-97%	Good. A few learning opportunities missed
94-95%	Risk of under achievement Up to 50 missed lessons Up to 10 school days absent in an academic year
92-93%	Risk of under achievement Up to 75 missed lessons Up to 15 school days absent in an academic year.
90-92%	Severe risk of under achievement Up to 100 missed lessons Up to 19 school days absent in an academic year
90% and below	Extreme risk of underachievement Over 100 missed lessons Pupil is persistently absent upwards of 22 school days absent in an academic year
50% and below	Extreme risk of underachievement Pupil is severely absent At least half of all lesson and days missed

Support

Our school procedures follow a support first model expectations set out by the Department for Education in the guidance Working Together to improve school attendance (September 2024).

Our procedures are based around the principles and stages of:

- Preventing poor attendance
- Early intervention and Early Help to address early patterns of poor attendance and agree ways to improve
- Targeted interventions (including Early Help and formal interventions) for those children who are persistently absent or severely absent
- Understanding barriers to individuals' attendance and agree individual plans for children with specific needs.
- Formal statutory interventions where support has not been effective or engaged with.
- We will use attendance data, daily, weekly, half termly and termly to identify children whose attendance is declining and any concerning patterns of attendance.
- We will support pupils' parents and carers by working together to address any in-school barriers to attendance.
- Where barriers are outside of the school's control, we will discuss and offer support to parents, carers and pupils also signposting to the right voluntary support.
- Some students find it harder than others to attend school and will need targeted or specialist support.
- Attendance plans will consider individual needs.
- We will use a Graduated Response - Assess, Plan, Do, Review, to inform all plans of intervention at each stage including offers of support either formally or informally

- Attendance plans will be reviewed and where improvements haven't improved and barriers to attendance continue plans will be reviewed to understand the reasons for lack of change.
- Records will be kept of attendance interventions and action plans

Birmingham Education Legal Intervention Team: Formalising support & Legal Interventions

The Attendance Officer is responsible for liaising closely with the Local Authority's Attendance Services and will follow their standard approaches in managing attendance issues.

Where all voluntary support options have not been successful or have not been engaged with, the law protects pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents.

The ELIT can use the following legal interventions/formalised support; Attendance Contracts, Notice to Improve, issue of Penalty Notices, Education Supervision Orders, Attendance Prosecution, consideration of application of Parenting Orders.

The above voluntary support options are not appropriate for an unauthorised Leave of Absence in term time.

Prosecutions for non-school attendance must be conducted in line with the LA Non-school attendance and Penalty Notice code of conduct and the Code for Crown Prosecutors and must pass the evidential and public interest tests.

Legislation and statutory interventions

Parents of registered pupils have a legal duty under the Education Act 1996 (sec 444) to ensure that children of compulsory school age attend school on a regular and full-time basis. Permitting unauthorised absence from school is an offence and parents may be reported to the Education Authority if problems cannot be resolved by agreement.

All children, regardless of their circumstances, are entitled to a full time education that is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education in their area.

Parents are responsible for ensuring their children receive education. Estranged parents with whom the child has had regular contact may be prosecuted as well as the day-to-day carer. Each situation must be dealt with on an individual basis, always remembering the welfare and safety of the child is the paramount concern.

The term 'parent' also includes those who are not a natural parent but have parental responsibility for the child as defined by the Children Act 1989 or who have care of the child as defined by the Education Act 1996

Penalty Notice Regulations 2024 and Statutory Guidance

Schools must consider whether a penalty notice (a fine) is appropriate in each individual case where one of their pupils reaches the national threshold of 10 unauthorised absences in a rolling 10-week period.

If school considers that the trigger has been met a penalty notice is appropriate they will refer to the Local Authority in line with the Local Authority Code of Conduct.

If the Local authority issues a penalty notice it is per parent per child. The first penalty notice issued to a parent will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.

If the threshold is met a second time in three years and a second penalty notice is issued to the same parent in relation to the same child, this will be a flat rate of £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution.

Celebrating Attendance and Preventing Absence

At Hollyfield we feel it is important to reward children who have achieved good or are showing improved attendance. Each half term, all children who have achieved good or improved attendance will be entered into a prize draw to win a gift voucher. We notify parents of our whole school attendance percentage in our newsletter and advise you when we have school attendance campaign weeks. The weekly 96% Classopoly Attendance Challenge allows classes to celebrate their collective attendance successes. When a class achieves 96% or above they can roll the dice to move around the board collecting prizes and golden tokens on the way. When a class collects 5 golden tokens, they can enjoy a movie or games afternoon.

Hollyfield Primary School will always challenge falling attendance and reward improvements. We are committed to the future of all children that attend our school, and by working in partnership with the school community we believe that together we can achieve more.

School Day and Punctuality

It is important that pupils are punctual so that they do not miss out on the beginning of each school day. Children must attend on time to be given a present mark for the session.

If a pupil arrives late to school every day, their learning begins to suffer. Below is a graph showing how being late to school every-day over a school year adds up to lost learning time.

Doors open for children and learning begins at 8:45am and the class register closes at 09:00am. Children arriving after the close of the register will be recorded as late for the morning session.

The school registers are monitored daily and identify pupils who are arriving late. Regular late arrival for school will be challenged as not acceptable.

If a child arrives at school after 9:15am, they will receive a 'U' code. These marks will not be authorised and will count as an absence for the morning session.

These absences will only be authorised if a satisfactory explanation for the late arrival can be provided, e.g. attendance at a medical appointment.

Pupil absence will be recorded as unauthorised if a child has arrived late without justifiable cause e.g. they woke up late or were waiting for their uniform to dry.

Due to possible legal action, after 20 'U' codes the following procedures are put in place to resolve the problem:

- 5 U codes = a letter sent home
- 10 U codes = Meeting/telephone call/home visit to understand reasons and remove barriers parents/carers and CSAWS
- 20 U codes = Head Teacher will instigate legal proceedings where appropriate using FastTrack process

At the end of the school day, parents are expected to collect their children on time. This is 3:15pm for Reception and Key Stage 1 and 3:20pm for Years 3-6. We understand that on occasion, due to unforeseen events, parents may be a little late for collection. In this case, parents must inform school at the earliest opportunity and then collect their child/ren from the main school office.

School will monitor pupils who are collected late. Extended lateness and regular late collection from school will be challenged as not acceptable.

Absence

First Day Contact

At Hollyfield Primary School we expect our parents to make contact at the earliest opportunity, ideally before 8:30am on the first day of any absence to inform the school of the reason. Parents are expected to maintain contact with the school throughout the absence.

At 9.30am school registers are checked for any absences where there has been no contact by parents and reason given.

If parents/carers fail to notify the school of an absence, we will contact you via telephone or email. If staff are concerned about a child's absence or there is no response to text messages, we may call parents/carers or other emergency contacts, visit your home address, write to you or make referrals to the CSAWS Attendance and Welfare Officer and to the police for a visit to see the child. We may also invite you to meet with a member of staff to discuss any on-going concerns regarding attendance.

Where school staff have concerns about a child, they should use their professional judgement and knowledge of the individual pupil to inform their decision as to whether welfare concerns should be escalated (DFE Attendance guidance 2024).

If the pupil has a social worker or a youth offending worker they will be notified of any absences with no reason provided

It is imperative that up-to-date contact numbers and details are provided to school. Schools are required to hold more than one emergency contact per child (KCSIE 2024). Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides.

Illness

Not all illness requires an absence from school. For minor childhood ailments such as coughs, colds, ear aches we would not expect children to be absent. However, when a parent makes the assessment that their child is unfit for school they should follow the above absence process.

If your child is too unwell to attend school, they should stay at home and avoid contact with others until they are well enough to attend school. Continue to phone the office daily to update us on how your child is feeling and when they will return to school.

Schools should follow up with families if they are not satisfied with the reason as to why the pupil is not in school. Schools can request supporting evidence from the family. Where the school is not satisfied with the reason given for absence, they may record this using one of the unauthorised absence codes.

If you are unsure if your child should attend school please contact the school who will offer advice and guidance or signpost you to the relevant service.

It is a school's decision whether to accept a reason for a child's absence and whether to authorise that absence. In the majority of cases, a parent's explanation of their child's illness can be accepted without question or concern. In circumstances where there are concerns about a child's attendance or reason for absence, further evidence of a child's illness may be requested.

School will challenge parents' statements or seek additional evidence if they have any concerns regarding a child's attendance.

It is good practice to have clear systems in place to escalate any concerns about high levels of absence due to illness, including agreements about accessing additional services in order to provide appropriate support to pupils, particularly for long term illness.

The types of scenarios when medical evidence may be requested include:

- Child is absent and there are frequent odd days of absence due to reported illness
- Child is absent and the same reasons for absence are frequently repeated
- Child is absent and attendance is below expected levels and there is a concerning pattern of absence/reasons for absence
- Where there is a medical problem and school may need evidence to seek additional support/provide support
- There are conflicting reasons for absence

Medical appointments

Parents should avoid making routine medical appointments and dental appointments during the school day. In the majority of cases, appointments can be made outside of the school day/during the school holidays.

Where appointments have to be taken during the school day, parents should request permission for their child to be absent in advance whenever possible. Only the time for the appointment and travel to and from will be classed as an authorised absence. Pupils are expected to return to school for the remainder of the day/attend school prior to the appointment.

Parents are required to provide a copy of the appointment letter or card prior to the day of the appointment. Absences will only be authorised when this information has been received.

Reintegration of Long Term Absentees

Absence can significantly interrupt the continuity of students learning, and positive strategies should be employed to minimise such effects.

Key Principles:

- We will always keep in touch with a pupil/and his/her family during a long absence.
- We will always make sure he/she is welcomed back

Headteacher and SENDCo may consider a phased return where appropriate. Consideration needs to be given to any special needs the pupil may have and appropriate support identified. Consideration must be given to providing a mentor (staff member/pupil)

Class teachers should ensure that the pupil feels welcomed back to school in an appropriate way and take any necessary steps to support their re-integration.

Other reasons for absences

Other reasons for absence must be discussed with the school on each occasion. Notes will not necessarily be accepted as providing valid reasons. The school will follow DfE guidance and not authorise absences with unsatisfactory explanations, including:

- When a parent/carer or sibling is unwell
- A child or family member's birthday
- Shopping for uniform or other items
- Having their hair cut
- Closure of a sibling's school for INSET, industrial action or other purposes
- "Couldn't get up"
- An illness where the child is considered well enough to attend school without medical authority and in the absence of an infectious disease
- Leave during term time taken without authorisation of the school
- Head lice – let the school know and letters will then be sent to all parents in a confidential manner

Religious Observance

Hollyfield Primary School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance. It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body. However, parents are requested to give advance notice to the school if they intend their child to be absent. Religious bodies may be contacted to verify these occasions.

Traveller Absence

The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must advise school of their forthcoming travelling patterns before they happen; and inform the school regarding proposed return dates

School will authorise absence of Traveller children if we are satisfied that a family is travelling in line with parental occupation and has given indication that they intend to return.

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil.

Requests for Leave of Absence (exceptional circumstances)

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Expectations:

- A leave of absence is granted entirely at the school's discretion. Permission for a Leave of Absence from school may only be given by a person who the school's proprietor has authorised to do so (an authorised person).
- Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.
- Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.
- Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.
- When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Headteacher the opportunity to consider all the exceptional circumstances and to notify the parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.
- It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.
- The school can only consider applications for Leave of Absence which are made by the resident parent i.e the parent with whom the child normally resides.
- Where applications for Leave of Absences are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an "unauthorised" absence.
- Where a leave of absence is requested but additional days are taken either prior to or after the request, they may be considered as part of the leave of absence.

- Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

Procedure for requesting a planned absence:

An attendance letter is sent to all parents/carers at the start of every academic year to inform them that the Headteacher is unable to authorise leave during term time except where there are exceptional circumstances.

Parents must complete an 'Exceptional Leave in Term Time Request Form' if they are considering taking their child out of school for a period of leave.

Contact with parents/carers will be made via letters, phone calls and home visits as appropriate and any legal action required will be taken by the Education Legal Intervention Team.

Attendance, Safeguarding and Children Absent from Education

A child absent from education is a potential indicator of abuse or neglect. School should follow the school's procedures for dealing with children that go absent from education, particularly on repeated occasions, to help identify the risk of abuse and neglect, including sexual exploitation and criminal exploitation, and to help prevent the risks of their going missing in future.

All schools are required to make the local authority aware of every registered pupil who fails to attend school regularly and any children who have been absent from school, where the absence has been treated as unauthorised for a continuous period of not less than 10 school days education (Pupil Registration) (England) Regulations 2024 regulation 13).

Schools are permitted to remove compulsory-school-aged children from roll on the limited grounds set out in regulation 9 of the Education (Pupil Registration) (England) Regulations 2024.

Removing a child from the school roll is a very important decision. Children who fall out of the education system are likely to have poor outcomes and may be exposed to increased risk of harm. Schools must follow correct procedures to ensure that they do not breach their legal and safeguarding duties.

All schools (including academies and independent schools) must notify their local authority when they are about to remove a pupil's name from the school admission register under any of the fifteen grounds listed in the 2024 regulations

Schools must make reasonable enquiries to establish the whereabouts of the child jointly with the CME officer, before deleting the pupil's name from the register if the deletion is under regulation 9(1), sub-paragraphs (h) and (i).

This attendance policy is part of a broader suite of safeguarding policies including the school's Safeguarding and Child Protection Policy.

Truancy within school

Hollyfield Primary School monitor attendance for each morning and afternoon session using the registers, in order to ensure all pupils are safe in school and whereabouts known. If a pupil does not present to scheduled lessons/activities, a member of the Senior Leadership Team is informed and staff alerted to find missing pupil. If the pupil cannot be located and are suspected of leaving school premises, parents will be informed and the police notified of a missing child.

Alternative Education Providers

On rare occasions, a small number of pupils may be accessing an alternative education provider or dual registered with another school, agreed by the school for all or part of their timetable. In this instance the pupil remains on roll at Hollyfield Primary School.

Attendance to approved alternative providers is monitored. When a pupil is dual registered at another school or alternative provider their attendance will be recorded in the register as a D code (on days they are required to attend the other school/provision). The other school/provision will record the attendance or absence. For children who are educated off site but not dual registered their attendance will be recorded on Hollyfield's register as a B code, if they are confirmed present or the appropriate absent code if absent. The responsibility of ensuring pupils are safeguarded and receiving appropriate education remains with Hollyfield Primary School.

Registers

An accurate and consistent registration system is crucial both to provide a solid foundation for analysis of absence and to support any statutory interventions.

The register is a legal document and must be kept accurately. Attendance registers will be kept in accordance with legal requirements, local authority guidelines and school regulations

On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil of both compulsory and non-compulsory school age whose name is listed in the admission register at the time (except for a pupil who is a boarder).

Absence can only be authorised by a person designated to do so by the Headteacher [see The Education (Pupil Registration) (England) Regulations 2024

There are procedures in place to resolve unexplained absences within 5 working days (Appendix 1).

School complies with and uses the DFE Compulsory National Attendance Codes to categorise absence (Appendix 2).

Use of Attendance Data

Schools must provide specific pupil information on request to the Secretary of State [The Education \(Information About Individual Pupils\) \(England\) \(Amendment\) Regulations 2024 \(legislation.gov.uk\)](https://www.legislation.gov.uk)

We meet this requirement by sharing their school attendance data directly from our management information system.

We are also required to make data returns to the Local Authority:

New Pupil and Deletion returns: notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times.

Attendance returns: providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and/or U).

Sickness returns: providing the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness..

We collect, use and store attendance information about our pupils and may receive information about you from your previous school. The information we keep regarding attendance includes name, contact details, attendance records, late records and any relevant medical information.

Attendance is reviewed at a minimum half termly, where there is cause for concern, this information is shared with CSAWS during regular attendance meetings held at school. CSAWS then follow up attendance concerns with parents and carers on school's behalf.

We meet termly with the Local Authority for Attendance Targeting Support Meetings where attendance data is shared and discussed

Information regarding attendance concerns may also be shared with the Local Authority as part of statutory processes.

The Headteacher and Attendance Officer will analyse attendance data half termly for whole school and groups of pupils. This will be shared with governors and used to inform the strategic plan to improve school attendance.

Attendance Data will be shared with class teachers throughout the year to target interventions and in preparation for pupil progress meetings and parents' evenings/

Attendance Data will be produced and used to promote attendance through the school newsletter, website and rewards and incentive
