

French

"Dans la vie, rien n'est à craindre, tout est à comprendre." (In life, nothing is to be feared, everything is to be understood.)

Marie-Curie, physicist and chemist, France.

French is the study of France, its people, its culture and language.

At Hollyfield, pupils in Key Stage 2 learn French as their selected Modern Foreign Language. The scheme of work has been created by our French specialist teacher, Mrs Dhallu.

Our aim in the teaching of French is for all children to:

- have a cultural understanding of the world,
- be curious and understanding of other cultures,
- develop the confidence to be an effective language learner
- develop communication (speaking, listening, reading and writing) in another language.

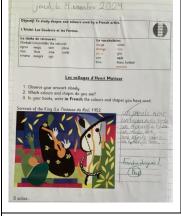

The French curriculum at Hollyfield is further enriched through various activities and events. For example, in Year 6, children will have the opportunity to participate in a pen-pal project, writing letters in French and sending them to our partner school in Paris. We also hold an annual French Day every July, where children across the school, from Reception to Year 6, take part in various practical activities that allow them to learn about French cultures and traditions from across the world.

Activities from French Day 2024:

YEAR 3

YEAR 4

YEAR 5

YEAR 6
