To ensure all children have access to high quality P.E teaching.	Coordinator to work with P.E professionals to train staff at school. D.L to liaise with other partner schools to develop planning formats.	Ongoing.	Staff offered CPD to increase their knowledge and skills in P.E. New planning to be resourced and implemented.	Staff are confident in teaching high quality P.E lessons.	£2000 - P.E. planning sourced from LTE for free so budget spent on after school clubs.	New planning has been sourced through consultation and meetings with sports leaders in the LTE.  Hollyfield now uses the same P.E planning as other schools in the LTE which will provide

						<p>a more consistent approach to the teaching of P.E within the local area.</p> <p>This will also help with the competition schedule provided with WSAS as all schools within the trust will be learning the same skills.</p> <p>Subject coordinator provided training for all staff on this new planning within the Spring term with staff implementing the teaching soon after.</p>

						<p>The response from staff has been overwhelmingly positive. Staff have commented that planning is 'now more structured', that they have 'more ideas', and 'it has given me more confidence in teaching P.E through the use of pictures, power points and help cards. This has helped me show the children exactly how they can make progress'.</p>
