## Stars!

We are very pleased to announce that Jessica from Reception has won the overall LTE KS1 Easter Science Fair Competition. We are very proud of Jessica and the amazing marble run that she designed and made. The judges were most impressed with her descriptions of the marble moving and her own writing on the project. ### Safeguarding Children

The NHS recommends that children should have no longer than 2 hours screen time per day. Set a strict time limit with your child and give your child a 5-10 minute warning when time is nearly up.

Please note that from next week, due to recent changes in data protection regulations (GDPR) only your child's first name will appear as Star of the Week.
