

HOLLYFIELD PRIMARY SCHOOL

20 December 2019

Design by Marissa

What a wonderful Christmas concert performed by our KS2 children on Tuesday "Songs from Christmas films". The children were absolutely fantastic and the singing was simply beautiful and such confidence too! We do hope you have enjoyed all of the Christmas performances this year - all of the children have been practising really hard to perform for you all and we really do hope you enjoyed them as much as we did. Unfortunately that is all until next year, but can we just also say a big thank you to all the staff, without them these performances simply wouldn't be possible.

Welcome Back!

We would like to say a very big welcome back to Miss Coppin who has returned from maternity leave this week. It is lovely to have her back and the children were all excited to see her. Unfortunately this means that we have to lose Mrs Crowe who has done an amazing job looking after 3C in her absence. We wish Mrs Crowe all the very best for the future and thank her for all her help.

Can we please remind Parents/Carers when dropping off and collecting their children from school to always park safely and legally and be considerate to neighbours and other road users. We have had several complaints recently about dangerous and hazardous parking from local residents and also from Owen Court about blocking driveways. St Chad's Church very kindly allow us to use their car park or alternatively you can park on the main road. Thank you for your co-operation in this matter.

Thank you for all your help!

Thank you so much to our wonderful PA for all their hard work and support over this busy time. We really do appreciate all your help for the school and our children. We managed to raise an amazing £1,800.00 profit at the Christmas Fayre so thank you all so much for coming and supporting the school.

The children all had a lovely time at their Christmas parties on Monday. Also we would just like to say a big thank you to all the staff who helped to organise and supervise.

RAISING MONEY

for BBC Children in Need

Well done everyone we managed to raise an amazing £345.62 towards Children in Need. Thank you all for your support and generosity.

HISTORY

The children have been taking part in brilliant history lessons and now know more and can remember more about each of their civilisations and events they have studied! We have had exciting workshops in years 4, 5 and 6 from real archaeologists about death and disease and how Birmingham has changed in the last 200 years. Year 2 have been on an exciting trip to Cadbury World to decide whether John Cadbury was a significant individual and year 1 have been comparing toys of the past to today's toys. We are all looking forward to our history lessons next term!
