## A NOTE TO PARENTS

### Parents' Evening

As we are not able to accommodate visitors in school, we are currently investigating an online system via video link (like Zoom or teams). This allows parents to book a timed slot and then meet the teacher virtually to discuss how their child has settled, progress to date and any other issues you wish to raise. We have allocated Wednesday 21<sup>st</sup> October after school for this and will be in touch with more details after we have had a mini trial. Here are the details of some websites you may find useful:

### Every Mind Matters
