25 September 2020

## FACE MASKS FOR ADULTS ON SITE

With the significant rise in the number of confirmed Covid 19 cases across the country, can we highly recommend that all parents/carers wear face masks when dropping off and picking up the children. This will enable us to support social distancing and also keep everybody safe on site. Thank you.

## **PLEASE KEEP ENTRANCE CLEAR**

It has been brought to our attention that when children are being collected at the end of the day there is quite a bit of congestion outside the vehicle gate. This is obviously causing a bit of a hazard. Can we ask that if you are waiting to collect your child from school that you leave the vehicle entrance clear to ensure the safety of the children. Thank you.

## **PLEASE BE ON TIME**

Please make sure that you get your child to school on time every day. This is important as we do not wish to compromise the year group bubbles and continue to ensure the safety of the children. Thank you for your co-operation in this matter.

Thank you to all of you adhering to the guidelines and helping to keep everyone safe. Please be extra careful in busy areas and maintain the 2 metre social distancing rule wherever possible. Thank you for your continued support and assistance in this matter.

## **Homework**

Please note that all homework set for the children is online. Please go to our website:

[www.hollyfieldprimary.org](http://www.hollyfieldprimary.org) "pupils section"

where you can access it. Please also note that no printing of any documents is needed all homework can be done online.

If you need to speak to your child's teacher please call the school office who will forward on any messages - please do not pass messages to the teachers on the door. Thank you for your co-operation in this matter.

Now that the weather is turning colder please make sure that you send your child into school with warm clothing (named please) suitable for outdoor play. Thank you.

Do you use Netflix? Is it safe for children? You can have controls in place to protect them from age related content, you can set up child accounts and view a history of the shows watched. South West Grid for Learning have produced a short guide to help set controls. You can download it here:
