Please remember to use the one way system when dropping off and collecting your child, and do not enter through the pedestrian gate. Also it is only one adult per family. Thank you for your continued co-operation and support in this matter.

Park SAFE
Park SMART

If you are concerned about sending your child to school due to covid-19 symptoms: high temperature, new persistent cough, loss of taste/smell etc please call [119](tel:119) or visit nhs.uk/coronavirus where you can book a home test or a drive through test. Please advise school if you or your child have booked a test. Also, please note, your child will not be allowed to return to school until you have had a negative result. Thank you.

Can we please respectfully remind you to park safely and legally when you are dropping off and collecting your child from school. Please be mindful not to block neighbours driveways or otherwise cause a hazard when you park. Parents/carers can use St Chads Church car park or alternatively park safely down the side roads. Thank you for your co-operation.

Tip of the Week

It's almost impossible to shield children from news about traumatic events online, but you can show them the control they have in managing what they see and how they react. Older children may be particularly skilled in finding information quickly. Talk to them about how graphic content can spread quickly and help them understand how viral content works. It is important to discuss "any stories" a young person may have seen online, without directly naming viral content that may be upsetting. It is important to be sensitive when online and understand not to share graphic or distressing content for others to see.

Please remember to clearly label all school uniform so that we can return it to its rightful owner. Thank you.

Menu for next week.

Selection of fresh fruits and yoghurts available daily and also fresh drinking water

We are really pleased with how well the lunchtime arrangements are going. The children are being really sensible, staying in their bubbles, listening to instructions and staying safe. Well done everyone - keep it up!

Please note that squash is not allowed in school and children must only have water in their drinks bottles. Thank you.
