Look What We've Been Doing

Our children have been extremely busy across all areas of the curriculum this term. Year 1 explored Victorian toys in history and can explain how they have changed over time, they even designed their own! Year 2 are looking at the events of the 17th century and how they changed London forever. Ask them what Guy Fawkes did and how the Great Fire of London started. In KS2 they have been studying many civilisations including Stone Age, The Romans and the Ancient Maya, while Yr 6 have been studying WW1. They have learned about these civilisations by using lots of artefacts. Well done children!

Cyberbullying is bullying that takes place online. Online bullying can follow the child wherever they go, via social networks, gaming and mobile phone. It is important to know what children are accessing online and ensure they know what to do when something happens that makes them uncomfortable.
