Eco-council are collecting used stamps for the OXFAM charity. We are in competition with the Whitehouse Common Primary Eco-Team to see who can collect the most. Please help!

In French this term, upper KS2 have been learning how to conjugate regular verbs in French and are beginning to compose their own sentences using this knowledge combined with use of the bilingual dictionaries.

In lower KS2, the children have been learning songs and reading stories to extend their vocabulary knowledge. All year groups have enjoyed learning some Christmas vocabulary and comparing traditional French customs with our own.

The funeral for Ms Sue Bailey is taking place on Wednesday 15th December if you would like to contribute towards the funeral cost please do so by following the link below.

I regret to advise we have had several incidents over the last few weeks of abusive and threatening behavior towards members of the staff and inappropriate comments posted about the school on Facebook and Whatsapp. This is not appropriate and will not be tolerated by the school and the Governing Board. If you have a concern or a complaint, we will always work with you to try and resolve the matter. I have attached the parents code of conduct.

Safeguarding - Tip of the Week

Are you gifting a games console this festive season? If so, are you worried about what children might be playing, who they can interact with and can they make accidental purchases? All consoles come with parental controls. Take a look at internet matters. They have lots of help and guidance on how to set parental controls on all kinds of devices to help protect you and your children.
