

OLLYFIELD PRIMARY SCHOOL 18th February 2022

N

HALF TERM =

LEARNING

109

Reception are really enjoying their new topic 'Fairy Tales and Nursery Rhymes'. We've enjoyed sharing different versions of each story, taking on lots of different acting roles, hot seating, creating super arts and crafts and making delicious gingerbread men! We have loved using our science skills by exploring the properties of different materials just like The 3 Little Pigs and discovering the best material to create a waterproof coat for the Gingerbread Man. We have a few more stories left to enjoy.... Next up - Hansel & Gretel and Jack and the Beanstalk!

At Hollyfield we endeavor to give all children equality of access to all lessons. Teachers work to both understand and break down any barriers to learning children may have enabling them to fully participate. Teachers use scaffolding and a variety of resources to support children. These resources might include things such as: word banks, writing frames and the use of dual coding. Children may also receive individual and group support, when required.

Teacher Training Day Reminder

Monday 28th February 2022

The children had a wonderful time at Space Camp! They had a lots of fun taking part in the a range of space themed activities, creating and designing our own space suits, art and star gazing.

Please come to the school office if you have any queries regarding school trips/meal patterns/attendance etc.
