Safeguarding

SAFEGUARDING - TIP OF THE WEEK

Grooming is when someone seeks to build an emotional connection with a child to gain their trust. It can happen both online and face to face. Children may often meet people through social and gaming sites that aren't who they say they are so it's important to discuss the risks with them. The website below offer a short parent's guide to online grooming.

School Dinners

If you have changed your child's meal pattern since Easter and have not advised us would you please let the school office know. We would not want to be charging you for meals your child has not received. Also can we remind you that we request two weeks notice for any change in meal patterns. This enables the kitchen to order the correct amount of food. Thank you for your co-operation in this matter.
