### Safeguarding Our Children

'Life Hacks' 'DIY Hacks' or '5 Minute Craft Hacks' amongst many others, are short videos that are becoming increasingly popular on social media. They can receive thousands of likes and shares and are often monetised, meaning the more clicks they receive the more the producers get paid through linked ads. While some of these videos are harmless and may appear to be fun, some can pose risks and cause serious harm. It's important to speak to children about the risks some of these so called hacks may pose. Always ask yourself or your child:

What is the purpose of the video?

Could the actions cause harm to yourself or others?  
Does it involve the use of dangerous objects? Sharp objects, tools, chemicals etc.

If you think the video is dangerous or can cause serious harm. You can report it.

### KS2 CHILDREN (years 3,4,5 and 6)

Thursday 9 June at Walmley Golf Club

Exciting opportunity for your child to take part in a tri golf competition. This is at Walmley Golf Club from 4pm-6pm. There will be 5 boys and 5 girls from each year group. Parents will need to stay to supervise and Miss Ritchie will be there too! **Please telephone school to book place first come first serve basis.**

### Attendance

Please ensure you call school to report your child's absence. Also please notify us if you are going on holiday during term time. We have a duty of care to all children and have to make home visits and possibly police checks. Thank you for your co-operation.

The children have had a lovely day today celebrating the Queen's Platinum Jubilee. They have had a lovely little picnic on the playground and planted a tree.

<https://www.localofferbirmingham.co.uk/parents-and-carers/>

As a parent or carer, your role is vital in helping us to provide the right support for your child throughout their education journey. Please go to the above link above to find out more about how Birmingham Local Authority work closely with parents and carers along with your child's school and other professionals to achieve the best outcome for your child.

You can also find out about the different types of Special Educational Needs and Disabilities (SEND), how we identify and assess SEND in Birmingham and the specialist support services that are available in order to support your child.

There is also a SEND Guide for Families which you may like to look at.

Congratulations to 4BCJ who were the winners of the Sunflower growing competition.

# stars

We break up for the half term holiday today. Children will return to school on Monday 6 May. Hope you all have a lovely break.

We are extremely lucky to have baby birds nesting in our bird house (we think blue tits) outside the reception block. The children have been lucky enough to see them being fed via the live camera feed.

Overall attendance this week

KS1: 1R 95.3%

90.2%

KS2: 5R 96%

What a lovely day everyone has had celebrating the Queen's Jubilee. I hope you all have a lovely week off and do lots of exciting things. We return to school on Monday 6th June.

Mr A HOLMES
