Closing date 31st October 2022

We have set up a parent book swap in the main entrance of the school. We want to extend the work we are completing around the love of reading beyond the children of Hollyfield and to reach out to the parents of our school to encourage a wider reading community.

We have had some kind donations for our book swap and wish to encourage our parents and staff to visit the main entrance to swap any old books that may be lying around at home, which have been read to swap with a different one from the basket.

We look forward to seeing which titles and authors are swapped amongst our parent and staff reading community.

BeReal is the latest trending social media app popular with youngsters. Each day at a random time, users are simultaneously notified to take a photo of what they're doing. You have a 2-minute window to post a photo of what you are doing and your surroundings.

Some risks to be aware of:

1. Strangers can be added as friends
2. Other users can send inappropriate photos.
3. BeReal shares the exact location that photo's have been taken.
4. Personal information can be shared if not careful.
5. Photo's could be shared publicly by others so while you may only follow friends they could potentially share things far and wide.
