School Council

Our new school council representatives have been voted for by their classmates and are very excited to represent Pupil Voice at Hollyfield. We will be keeping you updated of all the decisions they make in playing an active role in the Hollyfield family.

ECO-COUNCIL

The Eco-council's role is to promote being eco-friendly. This term they performed a whole school assembly demonstrating the importance of looking after our world. As a whole school we then took part in POP 22, a global children's eco event. On a more local level, the Eco-council have been helping keep St Chad's Church woodlands litter-free, and planting spring bulbs. We will now be starting our annual used stamp collection campaign supporting Oxfam, so please start collecting!

Please note that we have had a defibrillator fitted on the front fence of the school. This is there for the public or the school to use in an emergency. The school has details of the installation, usage instructions and door code if it is required. We feel this will be a valuable lifesaving asset to the community.
